1. **Exam Requirement:** The Advanced Placement Examination in May is **mandatory** for students in grades 9-11 enrolled in AP courses. AP Exams are optional for 12th Grade. Please mark the exam dates and avoid scheduling appointments or trips during this time.
2. **Make-Up Exams:** Due to the high volume of students in AP classes, St. Anthony's High School does not offer make-up exams unless a student has two AP Exams scheduled at the same date and time. The decision on which exam will be rescheduled is at the discretion of the St. Anthony's AP Coordinator.
3. **College Board AP Resource Classroom:** Every student in an AP Class **MUST** join the College Board's AP Resource Classroom using the join code provided by their teacher, regardless of exam participation. This is required for each AP course. Students must join by 11/1/2024 to avoid a \$45 join code late fee, per class, imposed by the AP College Board, even if exam fees are paid on time. This is a separate late fee from the payment fee not being completed by 11/1/2024.
4. **Exam Fees:** The fee for each AP Exam is \$110. For students with AP Research or Seminar, the fee is \$160. Payments are due by 11/1/2024. **NO REFUNDS WILL BE GIVEN. \$50 Late fees will automatically be accessed beginning 11/2/2024. This is a separate late fee from the Join Codes not being completed by 11/2/2024.**
5. **Exam Only Registration:** Students wishing to take an AP Exam for a course they are not currently enrolled in will need to be registered under an Exam Only section created by the AP Coordinator. These students will not have access to AP Classroom resources and practice questions, but will have access to AP Daily. Deadlines and payments for Exam Only are the same as for enrolled students. Students must receive a Join Code from the AP Coordinator by 11/1/2024 to avoid penalties and by 3/1/2025 to sit for an exam, regardless if a payment was made. Registration requires a two step process! No exams will be added after 3/1/25. Please see Mrs. Adler, in the Library to receive your join code.
