We sincerely appreciate the many students who have already signed up to volunteer for Community Service in the Library. Students are engaging in various initiatives, including an Advisory Committee, Book Enthusiasts, Creative Team, MakerSpace, Outreach, and Tutoring. If you are a student and interested, please check our community service info on our [Library homepage](#)

We invite faculty and staff to join our student volunteers in these meaningful activities as well. Your participation will help make our library an integral part of the school community. Whether you can volunteer during the school day or independently at your convenience, we would greatly

appreciate your support alongside our dedicated students and library staff. Your contributions will be invaluable.

BROTHER'S FINAL THOUGHTS

When I mentioned that our theme for the year was going to be RESILIENCE, I had no idea that we would be living that Theme so quickly. I am most humbled and grateful for all you have done as students, faculty, parents and friends of the school have done to support our students who have been affected by the recent accidents that have taken place. Your prayers, good wishes and countless moments of support for the families have been just amazing.

Amidst all of this, we have managed to have a wonderful start to the school year, had a Great Open House, saw records crowds at games and parent events. Our Resilient Friar Spirit has permeated this school, I have no doubt that the power of prayer and a resilient spirit will continue to fortify all of us. I am ever so blessed to be here with all of you. Be certain of my trust and admiration for all of you.

Again I wish to thank all of you for your support and concern for all here at school. I ask that you once again TONIGHT CHECK THE WEEK AHEAD WITH YOUR STUDENT. AND REMEMBER, BROTHER LOVES YA!!!!!!!!!!!!!!!!!!!!!!!!!!!! BECAUSE YOU ARE RESILIENT PARENTS!!!!!!!!!!!!!!!!!!!!!!!!!!!!
