March 20, 2025

Dear Parents,

St. Anthony's will apply an Academic Resource Fee of \$250 to all tuition accounts. As in the past few years, this Academic Resource Fee will continue to cover the cost of course materials associated with your student's English, Math, Science, Social Studies, and Theology classes. Academic resources may be physical books, digital resources or both depending on the particular classes associated with your student's schedule. These resources will be distributed in class.

Going forward, this payment will also include software licenses, the PSAT fee for Sophomores and Juniors, Freshmen Faith Day, Music/Band/Choral/Art fees, senior transcript fee, and select senior activities (Senior Antics Night and Senior Sunrise).

The Academic Resource Fee does not include charges associated with locks, gym uniforms, optional standardized tests associated with grade level exams (SAT), or required course fees (AP Exams, EMT, etc). For a list of courses covered, please go to www.friarsbookstore.org/academic-resources

If you have any questions regarding the Academic Resource Fee, please feel free to contact me at 631-271-2020 ext. 215 or at pwashington@stanthonyshs.org

Sincerely,

Paul Washington

Dean of Academics
